

CULTURAL ACTIVITIES WORKSHEETS

SOUTH NORFOLK
SCHOOL SPORT
PARTNERSHIP

With the upcoming Olympics and Paralympics in Tokyo, the South Norfolk SSP has put together a pack of resources for Schools to use leading up to the Olympics this Summer. For the first week of our Olympic themed challenges, the South Norfolk School Sport Partnership would like to challenge pupils to get creative in the classroom, or at home.

These are great activities for pupils, giving them a chance to be part of a creative & cultural experience. These activities are aimed at Key Stage 1 & 2 pupils, with activities being based around the Spirit of the Games values.

OPENING & CLOSING CEREMONIES

Why not add an extra special event into your Olympic themed activities calendar this year by hosting an Opening and/or Closing ceremony too?

This could be at any time during the next few weeks, or you could use it to open and close your own Mini Olympics event or Sports Day!

Why not hold an Olympic themed Assembly or do a Flag procession around the school field? Pupils could create a new dance or create a playlist of music for the event. Those that wrote poems could read them out at the ceremony or you could even put together a school Olympic choir!

Have fun, get creative and don't forget to tag us over on Twitter [@southnorfolkssp](https://twitter.com/southnorfolkssp) so we can see what you've been up to!
